Issue Form

ISSUE: (Clear and concise statement. For Example: The Fort Hooah Commissary has too few handicap parking areas in front of the main commissary entrance.)

SCOPE: (Who does it affect and why? For example: It affects all members of the Fort Hooah community who require handicapped parking. Handicapped individuals must park elsewhere, which makes it difficult for them to use the commissary.)

RECOMMENDATION: (How can this be changed? For example: Recommend the Fort Hooah commissary designate more handicap parking outside the main entrance to the commissary.)
