

## SKIES Program Closure due to Inclement Weather Conditions

Dear SKIES families,

The weather outside could be frightful...as the temperature gets colder and colder the potential for bad weather increases each day. Bad weather translates into dangerous driving.

In order to keep everyone safe and sound over the winter, effective 4 December 2009, SKIES classes will be closed when Anne Arundel County Public Schools are closed, dismissed early or evening activities are cancelled.

Please listen to your local radio & TV stations or call the SKIES Office, 301-677-1196, for our closure message.

Let's keep our children warm and safe.

Sincerely,

SKIES Staff
